Until he intercepts a distress call from an uncharted planet in the middle of nowhere four stranded humans beg to be rescued from a haunted world. Each night a peculiar dark matter shrouds the planet and troubles the Captains dreams. The substance lets the Captain relive his agonizing decline into semi-madness after the accident on his ship. Not only that, the dark matter also shows him the most horrible and intimate memories of the four ship-wrecked humans. Will the Captain be able to solve the mystery of the dark matter, rescue the stranded crew and manage to return to earth, or will he finally succumb to madness This item ships from La Vergne, TN.
