Early one morning some years since, and while the sun ushered in one of the most lovely days of the year, we walked from Sing Sing to Tarrytown. How enchanting the scenery along the banks of the Hudson. There nature, taste and wealth combine to perfect the beauty of the landscape. The charms of this region also, are heightened from the many historic associations that cluster along the scene. To the tourist, the banks of the Rhine are visited in anticipation of much delight from gazing on the castellated summits, hoary with age, but he finds that they have lost that freshness that greets the eye while surveying the lofty eminences covered with every variety of trees, the crystal cascades, the verdant lawns, the splendid mansions encircled with gardens, replete with all the varieties that the vegetable and oral kingdoms afford, as displayed along the bank of this noble stream.
