

Growing in Circles: Learning the Rhythms of Discipleship (Paperback)

Filesize: 1.59 MB

Reviews

A must buy book if you need to adding benefit. It really is witter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.

(Prof. Elton Gibson I)

GROWING IN CIRCLES: LEARNING THE RHYTHMS OF DISCIPLESHIP (PAPERBACK)

River Publishing Media Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. JOHN COLES, Chair of Trustees, New Wine This is a gem of a read! Reading this book re-ignites my longing for intimacy with God and my understanding of how to keep on maturing. There is more for all of us and this book could unlock more of that for you. ROBBY DAWKINS, Pastor, Speaker Bestselling Author A must read. Having ministered with Paul in conferences and in his church, I know that he writes from authentic and fruitful experience. NICOLA NEAL, Founder CEO, Revelation Life A great tool for anyone wanting to go deeper in their relationship with God and grow in their maturity as a believer. I highly recommend it! Jesus promised that we would grow into fullness of life by His Spirit. Like many things in life, that growth is not linear, but happens in seasons and cycles. Neither is there simple set of steps to follow guaranteeing maturity - that would be too impersonal for a God who loves relationship. Instead, spiritual growth comes from understanding some basic spiritual truths more and more profoundly. We come back to the same places again and again, each time experiencing them more deeply. This simple, but profound approach to growing in God will reinvigorate your faith and answer many questions about how to develop a vibrant spiritual life. About the Author Paul Harcourt leads All Saints Woodford Wells in NE London, with his wife, Becky, where they have served for 21 years. Paul is New Wine's Regional Director for the London and East Region. Paul is involved in leadership training for renewed churches and regularly speaks at conferences in the UK and Europe.
