In Search of the Lost Sheep was written to encourage those who believe there is no hope for them in this world, to the one who feels alone, hurt and abused. This book references scripture that prove how much God loves everyone no matter who you are and no matter what circumstances you may be facing in life. It teaches that we may not make the best choices in life and end up paying the consequences for it, but that there is still a God who is willing to take us back and shape us into the person we were meant to be. In this book you will find reasons of why you should not give up. In Search of the Lost Sheep teaches the importance of prayer, the evidence of hope, the significance of repentance, the consequence of sin, the history of people in the Bible who encountered hardship but breakthrough and triumph for repenting; you will also read a brief testimony about the author as he describes his journey of being...
