The Secret War For The Falklands: The SAS, MI6, and the War Whitehall Nearly Lost (Paperback)

By Nigel West

Little, Brown Book Group, United Kingdom, 1998. Paperback. Condition: New. Language: English . Brand New Book. First published on the 15th anniversary of the Falklands War in 1982, THE SECRET WAR FOR THE FALKLANDS is nothing less than the secret history of the conflict, the first time the Royal Navy had been engaged by an enemy since 1945. In terms of hardware it was a test of the world s latest air and defence systems and a unique opportunity to push competing fighters to their limits in an environment that stretched men and aircraft alike. This book focuses on OPERATION CORPORATE, the task force assigned to retake the Falklands, and on the clandestine efforts to deny General Galtieri the one weapon that could have turned Corporate into a humiliating defeat for Britain - the French-manufactured Exocet missile.
