Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Maintenance of Motor Cars As the title suggests, this book is intended to instruct the inexperienced how to look after and keep in good order their motor vehicles. It is felt that there are a large number of owners who have had little or no experience with motor vehicles, and who consequently require a simple and elementary book explaining what is necessary. It is for this reason that the descriptions have been made as clear as possible, and that. The assumption has been made that the amount of technical knowledge possessed by the reader is not necessarily large. The book is not intended so much for the use of skilled mechanics and chauffeurs, though it is hoped that some of the information contained in it may be Of use to them.
