Greystone Books. Paperback. Condition: New. 272 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. Bill Bryson meets John Vaillant in this life list quest to see the rarest species in North America. Crammed into a minivan with wife, toddler, infant, and dog, accompanied by mounds of toys, diapers, tent, sleeping bags, and other paraphernalia, Cameron MacDonald embarks on a road trip of a lifetime to observe North America's rarest species. In California, the family camps in the brutally hot Mojave, where he observes a desert tortoise the size and shape of a bike helmet and the colour of gravel sitting motionless in the shade of a scrubby sagebush. In Yellowstone, after driving through unseasonal snow, he manages to spot a rare black wolf and numerous grizzlies, which, unfortunately, call forth a crowd of grizzly gawkers. The journey takes the MacDonald family from British Columbia, along the west coast of the U. S. , through the Southwest and Florida, up the east coast of the U. S. , and finally to eastern Canada and then back home to BC. Along the way, MacDonald offers fascinating details about the natural history of the endangered species he seeks, as well as threats like overpopulation, commercial fishing, and climate change that are driving them towards extinction. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
