Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Medina Publishing Ltd. Hardback. Book Condition: new. BRAND NEW, Discovering Islamic Art, Mary Beardwood, With Discovering Islamic Art, for the first time a door has been opened to invite younger children to enter the world of Islamic art - and what a world it is: one of beauty and inventiveness, spiritual depth and exquisite artistry. Since the 7th century, Islamic artists, artisans, architects and craftsmen have attempted in their work to reflect their beliefs and cultural values in the most beautiful way they can in every medium and material available to them. A subject that spans a millennia-and-a-half and covers every walk of life in every corner of the globe is no easy thing to distil for children, but Mary Beardwood has succeeded in making it fun as well as factual, exciting as well as educational. Following her successful title, A Children's Encyclopaedia of Arabia, Mary's new book invites her young (and old) readers into a fascinating world in a way that will inspire them to delve deeper. Aimed at a readership age of eight years and above, Discovering Islamic Art simply and concisely introduces the fundamental elements of this huge subject - calligraphy, arabesques and geometric patterns. It also features painting, pottery, architecture, astrology, landscapes and cityscapes, woodwork and metalwork, arms and armour, science and inventions, manuscripts and books, and every page is generously illustrated. With each topic is included an activity sheet to encourage further engagement, to help children have fun and to remember more. The book is designed not only to appeal to young readers, but with parents and teachers in mind. The hard cover makes for a long life, and the disguised wire binding facilitates the photocopying of the activity sheets so that many pupils can simultaneously enjoy them. There are links to websites and further...
