Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Unloved and Untamed is dark fantasy erotica about a young agendered female-bodied person with an undeveloped gift of premonition (as well as a spirit that possesses her from time to time) who hates her life and seeks something different. Luckily, a young rich boy comes around and gives her the space to love herself. Another boy throws a wrench in her burgeoning joy when he forces himself on her. While recovering, she meets the rich boy's cousin, who slowly seduces her over the course of the next few weeks. She is then drawn deeper into the weird Samson family. Just what are they, what did they do to her attacker, and why are they so incredibly rich? Unloved and Untamed is the erotic and offbeat first installment in The Representative series, which follows the life of a young girl discovering the fantastic world of vampires, one powerful family with their hands in inter-species genetic projects and technological research, and transdimensional aliens who believe she may be their last link to Lilith, the mother of all monsters. This item ships from La Vergne, TN. Paperback.
