

Forgotten Drinks of Colonial New England: From Flips and Rattle-Skulls to Switchel and Spruce Beer (Hardback)

By Corin Hirsch

History Press Library Editions, 2014. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Colonial New England was awash in ales, beers, wines, cider and spirits. Everyone from teenage farmworkers to our founding fathers imbibed heartily and often. Tipples at breakfast, lunch, teatime and dinner were the norm, and low-alcohol hard cider was sometimes even a part of children's lives. This burgeoning cocktail culture reflected the New World's abundance of raw materials: apples, sugar and molasses, wild berries and hops. This plentiful drinking sustained a slew of smoky taverns and inns--watering holes that became vital meeting places and the nexuses of unrest as the Revolution brewed. New England food and drinks writer Corin Hirsch explores the origins and taste of the favorite potations of early Americans and offers some modern-day recipes to revive them today.

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

-- Prof. Jeremie Kozey

A must buy book if you need to adding benefit. It really is wriiter in straightforward words and not difficult to understand. I am just pleased to let you know that here is the best ebook i have got read through in my individual daily life and may be he best book for ever.

-- Prof. Charles Boehm
