This pdf is wonderful. We have gone through it and so I am certain that I am going to go back to study it again once more in the future. It has been developed in an exceedingly straightforward way which is merely after I finished reading through this pdf where it really transformed me, modified the way I think.

This book examines the charismatic Christian reformation presently underway in Botswana s time of AIDS and the moral crisis that divides the church between the elders and the young, apostolic faith healers. Richard Werbner focuses on Eloyi, an Apostolic faith-healing church in Botswana s capital. Werbner shows how charismatic prophets - holy hustlers - diagnose, hustle, and shock patients during violent and destructive exorcisms. He also shows how these healers enter into prayer and meditation and take on their patients pain and how their ecstatic devotions create an aesthetic in which beauty beckons God. Werbner challenges theoretical assumptions about mimesis and empathy, the power of the word, and personhood. With its accompanying DVD, Holy Hustlers, Schism, and Prophecy integrates textual and filmed ethnography and provides a fresh perspective on ritual performance and the cinematic.
