

Small Worlds: A Book of Photo Puzzles (Paperback)

By Matthew Wheeler

ARSENAL PULP PRESS, Canada, 2002. Paperback. Condition: New. Language: English . Brand New Book. Small Worlds is a fascinating compendium: photographs of aspects of everyday objects-coins, keys, cutlery-that, in photographer Matthew Wheeler s hands, are not readily recognizable. How well do you know the world around you-the things right under your nose and at your fingertips? The 100 photographs, extreme close-ups of objects that surround us, are puzzles which readers will have great fun trying to identify; each photograph is accompanied by a clue, printed alongside, in case you need a helping hand. From keys on a piano to grooves on an LP record, Small Worlds is ideal for an extended car trip, camping trips in the rain, or a quiet evening at home. These intriguing images are just another means of looking at the world from another perspective. Take a look? a long look? at Small Worlds and your way of seeing things will never be the same again.
