This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.In today's culture, to be a disciple often means to be a devoted supporter of anything from a political philosophy to the latest food trend or even a sports team. For Christians, discipleship means a commitment to wholeheartedly follow Jesus--learning what matters to him, what he has accomplished for us, and what role we play in his plan to bring redemption to a broken world. In this book you'll see how one church, Covenant Church of Naples, practices four basic disciplines to achieve that end: Worship * Grow * Serve * Go Discover how this Rhythm of Discipleship not only spurs fulfillment of the church's mission and vision, but also accelerates the growth of every believer who is eager to become a fully devoted follower of Christ.
