WHY WONDERING AND WANDERING: STOP! DISCOVER AND RECOVER FOREVER- NOT EVER ASKING WHY

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was Benjamin Disraeli who said Nurture your mind with great thoughts, for you will never go any higher than you think. Surely, the world wouldnt t have moved an inch without people like those ones who inspired others to actions and greatness. The power of thinking, the power of tongues, the power of inspiration, cannot be under-estimated: it moves mountain! And so, think great, talk positive, about you: and take the journey up from there, and it will amaze you how far you will go! In fact, research has severally shown that those who laugh, those who remain positive or cheerful are bound to survive the worst of conditions. So, one has no option than to tow the path of wisdom, by filling own system with positive thoughts. It is true that things may not presently be exactly as one planned, but one must..
