

Collaboration and Technology

By Baloian, Nelson / Burstein, Frada

Condition: New. Publisher/Verlag: Springer, Berlin | 20th International Conference, CRIWG 2014, Santiago, Chile, September 7-10, 2014, Proceedings | This book constitutes the proceedings of the 20th Collaboration Researchers' International Working Group Conference on Collaboration and Technology, held in Santiago, Chile, in September 2014. The 16 revised papers presented together with 18 progress papers and 3 invited talks were carefully reviewed and selected from 49 submissions. The papers published in proceedings of this year's and past CRIWG conferences reflect the trends in collaborative computing research and its evolution. There was a growing interest in social networks analysis, crowdsourcing and computer support for large communities in general. A special research topic which has been traditionally present in the CRIWG proceedings has been collaborative learning. | Understanding How Network Performance Affects User Experience of Remote Guidance.- Requirements for Ad-hoc Geo-referenced BPM with Microblogging.- Construction and Evaluation of a Collaboration Observation Model.- Monitoring Student Activities with a Querying System over Electronic Worksheets.- Two Make a Network: Using Graphs to Assess the Quality of Collaboration of Dyads.- A Programming Interface and Platform Support for Developing Recommendation Algorithms on Large-Scale Social Networks.- An Ambient Casual Game to Promote Socialization and Active Ageing.- Monitoring Collaboration in Software Processes...
