

How to Live Well: Secrets of Using Neurosis

Filesize: 2.9 MB

Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Joana Champlin)

HOW TO LIVE WELL: SECRETS OF USING NEUROSI

State University of New York Press. Paperback. Condition: New. 148 pages. Dimensions: 9.1in. x 5.8in. x 0.4in. Showing the charm, wisdom, and delicacy of a mature Japanese healer, this book presents useful and very practical techniques for relieving the suffering of neurosis. It explains the fundamental principles of Morita therapy in unadorned language. This is a doubly precious book: it is a unique primary document, showing as it does the charm, wisdom, and delicacy of a mature healer from another culture, but it is equally valuable as a set of immensely practical and attractive techniques for aiding those who suffer the neuroses of everyday life. It is an honor and a delight to be in the presence of such a great teacher. This work is especially relevant to those in the helping professions who are finding that their version of the talking cure is not applicable to all the populations with which they work. The author's wisdom emerges through the medium of an utterly simple and selfless human being, but the underlying message is both profound and transformative. -- Richard D. Mann, University of Michigan The book explains the fundamental principles of Morita psychotherapy in unadorned language. It is altogether without pretension and conveys a wisdom precisely because of this. The author presents a distinctive approach to the treatment of such phenomena as acute self-consciousness, obsessions, anxiety, and phobic disorders, and dysfunctional perfectionism, recommending principles of therapy that are applicable to life generally. -- Michael Washburn, Indiana University, South Bend In the attempt to eliminate all unpleasant feelings, many people fail to control their behavior, choosing instead to blame other people or circumstances for their shortcomings. This book is very important for today's world because it encourages personal responsibility for action based on purpose and acceptance of unchangeable feelings. -- Henry J. Kahn, ...
