

The Unraveling. and Other Stories (Paperback)

Filesize: 5.66 MB

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Talia Cormier)

THE UNRAVELING. AND OTHER STORIES (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A collection of short stories, essays and articles by author, publisher, social entrepreneur and father Stephen Rabum, which is, at times, hilarious, whimsical, heart-breaking, evocative, thought-provoking and poignant. Stephen Rabum. is a children s book author, former newspaper columnist and reporter, impassioned child advocate, father, idealist, daydreamer, freelance writer, publisher and champion of humanitarian causes. His training and background is in the field of child psychology. Through the years, Stephen has founded and directed a number of child-serving and community based nonprofit organizations, including the Center for Child Advocacy Research, based in Napa, CA and a special needs adoption agency in Charlotte, NC. But he s always been writing on the side. Stephen now lives in Durham, NC with his two amazing little girls. Stephen s essays and articles have appeared in a variety of journals, magazines, newspapers and blogs. In recent years, his writing has tended to focus on political and social issues which he approaches from an unapologetically progressive perspective. His critics may refer to them as left wing rants but he prefers to think of them as provocative and compelling. His much older, uber-conservative brother once told him that everything you write pisses me off. But Stephen also writes gentler, less antagonizing stories too. often described as nostalgic, whimsical and evocative. This book is a sampling of some of them - spanning decades, some of which were originally published in magazines and newspapers, others recently retrieved from a dusty old box in the attic. with a few rants thrown in for good measure. He hopes his brother reads them (just maybe not the rants).
