From the beloved stars of TLC's The Little Couple comes an uplifting and moving behind-the-scenes account of how the pair met, fell in love, and overcame huge obstacles to become successful professionals and parents. Jennifer Arnold and Bill Klein have inspired millions as stars of TLC's hit show The Little Couple. Though they both have dwarfism, they have knocked down every obstacle they have encountered together with a positive, can-do attitude. The show has featured the lives of Jennifer (a respected neonatologist) and Bill (a successful entrepreneur) from their marriage in 2009, to the launch of their pet shop, to the adoption of their children, to Jen's overcoming cancer. Now, for the first time Jen and Bill are letting readers into their private lives with behind-the-scenes, never-before-told stories about how they fell in love, what inspires them, and the passions that drive their success. They will open up about their struggles with cancer, infertility, adoption, and simply living life in a challenging world. Jen and Bill have a simple purpose in life: make the world a better place through encouragement and education. A must-have for fans of the show or anyone who has ever faced a difficult obstacle, *Life Is Short (No Pun Intended)* gives readers a glance at what inspires these positive people to approach life with such optimism and share their lives with the public every day.
