iUniverse, United States, 2005. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.The later years of life introduce successive challenges to single and married persons in American society. Physical changes of the body, economic and social adjustment to retirement, coping with needs for care-giving of senior parents, and personal interactions with marriage partners and friends all demand new emotional and spiritual resources. Transitions in Mature Marriage examines contemporary research on these issues and offers guidance for singles and married couples in making creative adjustments to these challenges. Some exciting new research focused on the fifty-plus years boomer generation is presented. Changing attitudes toward financial security, new role opportunities, and desire to give something back to the community by helping other people is discussed as passages, changes and conversions. Positive attention is given to the place of religious faith in forming personal character and resourcefulness for adaptation over the life cycle.
