CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 86 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. The first 55 pages is a teaser of my up and coming new short story Akashic Scryer, Also included are new poetry works of LKCP2KX. Akashic Scryer is a story of a kid that enters into a world of merging physical and astro-physical into everyday reality and using akashic skies to time travel. It all starts When the kid met Odin in the Alley outside of the Apartment complex after receiving a vial his life change forever. the story was inspired by life events in this long strange trip it truly has been into the mystery of life and inner exploration. This Story is written in Non Traditional form, People have said it feels like a guided meditation or some sort of experience. What ever your story the book will have its own personal meaning to each reader. I have 2 other poetry books published, Insomniac Doktrine and Alchemical Whispers: Insomniac Doktrine Vol. 2, and Penny Scryer my latest book is this one. I dont know how to describe these writings other than I am told they are esoteric, philosophical, and Universal. Automatically written from the silence swarm of letting it flow through finger tips. for you eyes, each word a different meaning from another reflection of self, for nothing is hidden within the glass. This item ships from La Vergne, TN. Paperback.
