Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.If your goal is to have all of the money you need to bring your inventions to life and to have them sell like hotcakes out in the marketplace, don't read this book. Memorize it. This book reveals in detail a very powerful strategy for persuading investors to fund your new products, inventions, and ideas. It will change the way you think about approaching investors. It will change the way you present your ideas to them. It will save you time. It will give you more resources for making every single one of your inventions a reality. Learn this strategy and you will never worry about having enough money. How much cash you have to fund your dreams is entirely up to you. Because if you use the techniques I lay out in this book haphazardly you may get a few bucks here and there. When executed properly, you'll have investors fighting each other for the right to back your idea. I can say this with confidence for three reasons: First, there is a method to the madness to getting a product backed and to market. And because of my work in a law office that specializes in patents, I speak with tinkerers, inventors, and innovative business owners every day. I see what works, what doesn't work, and what separates the people who see their dreams come true from the ones who constantly face frustration and failure. Second, there is a pattern to who gets funding and who walks away empty handed. Supplementing my findings working with inventors, I've watched and studied every episode of the hit ABC show Shark Tank (the reality TV show where inventors...
