The greatest gift of my salvation was when I came to a firm understanding about who I am and what I am here to do. There are many people who spend their entire lives asking these questions. One touching experience that encouraged my writing this book, was a conversation I had with a 65 year old elder, who expressed that she still did not know her purpose. Over the years I have acquired a vast amount of information from my personal journey that has helped me evolve. I knew that I needed to share it by composing this guide for others to use. The most powerful tool on this globe that anyone can ever have is the knowledge of self and their purpose. May you be awakened, inspired and spiritually liberated, as I have been, by this guided journey to self awareness. -Anthony Todd Jackson This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
