## THE FORGOTTEN LEGION: (THE FORGOTTEN LEGION CHRONICLES NO. 1)

Cornerstone. Paperback. Book Condition: new. BRAND NEW, The Forgotten Legion: (The Forgotten Legion Chronicles No. 1), Ben Kane, The Forgotten Legion - fighting for honour, freedom and revenge. Romulus and Fabiola are twins, born into slavery after their mother is raped by a drunken nobleman. At thirteen years old they are sold - Romulus to gladiator school, Fabiola into prostitution, where she will catch the eye of one of the most powerful men in Rome. Tarquinius is an Etruscan, a warrior and soothsayer, born enemy of Rome, but doomed to fight for the Republic in the Forgotten Legion. Brennus is a Gaul, his entire family killed by the Romans, and he rises to become one of the most famous and feared gladiators of his day. The lives of these characters are bound and interwoven in an odyssey which begins in a Rome riven by political corruption and violence, but ends far away, at the very border of the known world, where the tattered remnants of a once-huge Roman army - the Forgotten Legion - will fight against overwhelming odds, and the three men will meet their destiny. Ben Kane was born in Kenya and raised there and in Ireland. He studied veterinary medicine at University College Dublin but after that he travelled the world extensively, indulging his passion for ancient history. Now he lives in North Somerset, where he researches, writes and practices as a small animal vet. The Forgotten Legion, born of a lifelong fascination with military history in general, and Roman history in particular, is his first novel.
