Brand New Book ***** Print on Demand *****.Excerpt from The Dream Adventures of Little Bill Since early morning Little Bill had been roaming over the fields romping with Rex, the faithful farm-dog, picking summer flowers and chasing the busy bee as it wandered from blossom to blossom in its daily search for the fragrant honey. Sometimes the child stopped to watch the beautiful butterflies and happy birds as they darted here and there in the golden sunlight or else he would lie down in the thick, sweet clover to glance upward where the fleecy clouds floated lazily over the azure sky. As evening drew near the little boy wended his way to the brook which flowed merrily through the meadow and stretching himself upon the soft grass peered with interest at the tadpoles and queer looking bugs playing together in the water. A large bull frog was standing on the opposite bank glancing solemnly around. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
