Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Early in 1849 the sleepy quiet of Victoria, Vancouver Island, was disturbed by the arrival of straggling groups of ragged nondescript wanderers, who were neither trappers nor settlers. They carried blanket packs on their backs and leather bags belted securely round the waist close to their pistols. They did not wear moccasins after the fashion of trappers, but heavy, knee-high, hobnailed boots. In place of guns over their shoulders, they had picks and hammers and such stout sticks as mountaineers use in climbing. They did not forgather with the Indians. They shunned the Indians and had little to say to any one. They volunteered little information as to whence they had come or whither they were going. They sought out Roderick Finlayson, chief trader for the Hudson s Bay Company. They wanted provisions from the company-yes-rice, flour, ham, salt, pepper, sugar, and tobacco; and at the smithy they demanded shovels, picks, iron ladles, and wire screens. It was only when they came to pay that Finlayson felt sure of what he had already guessed. They unstrapped those little leather bags round under their cartridge belts and produced in tiny gold nuggets the price of what they had bought.
