Jake Gallagher knew from the moment he saw Maya that she was the one for him--it had the same breath-taking intensity as when he d first set eyes on Border. Only life never turns out the way one plans, and now he s falling for someone else.or at least he thinks he is. Maya Montgomery never should have looked past the friendship she already had. Now that she has, she can t stop thinking about Jake and what he means to her. When a mysterious stranger from Jake s past shows up at their door, she s forced to admit that if she doesn t take the risk of a lifetime, she ll regret it for the rest of her days. Border Gentry walked away without a second glance once because of what could happen if he let go, but now he s back and ready to see what he s missed. He s been on the road a long time and has seen things no man should ever see, yet once he rediscovers the broody Jake and meets the inked and fierce Maya, they re like a balm to his soul and he realizes what path his future should take. It will take more than sizzling chemistry and a heat that never dies for the three of them to overcome their pasts. And when someone from the outside wants to stand in their way, it s not only their hearts on the line.but also their lives.
