Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Centrifuge describes a people s search for the truth about their existence and for a more accurate cosmology than the one presented by their religious and scientific leaders. Perhaps the readers will ask similar questions about their own origins, the limitations of our resources and the fragility of our very existence. Is this a story about our future or is it a story about our distant past?.
