## ROCK ROLL HOMICIDE

Killeena Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Just as the rock band, Doberman s Stub, was about to reach stadium tour status, its leader was brutally murdered when his headphones exploded during a recording session. The widow, who inherits \$5 million, is the San Diego Police Department s number one suspect. She hires Jason Duffy, a 27-year-old PI and former musician, in his first year of private practice. Jason learns that the victim was in the middle of an acrimonious renegotiation with the record company at the time of his death. He also finds that the record company has a very unhealthy tie to the Russian Mafia. As an inexperienced detective, Jason does not yet have the contacts within the police department to gather vital information. He is forced to mend fences with his estranged father, an opinionated ex-SDPD detective. While Jason investigates the record company, he also takes a close look at the three surviving members of the victim s band. One is an alcoholic/drug addict drummer, on the verge of being kicked out of the group. The second is a bass player who camouflages his rock star status by living in an ordinary house in a lower middle-class neighborhood. Third is a lead guitarist and writer of half of the band s songs, who lives well beyond his means. Jason has not yet become hardened to the very real dangers of his new profession. We experience his inner conflict as his girlfriend, staff, and family are drawn into the danger zone. After Jason s part-time employee is severely beaten during a stakeout, he sells the story of the Russian Mafia s involvement in the record business to a tabloid journalism TV show...
