REFLECTIONS ON RAINBOWS (PAPERBACK)

AUTHORHOUSE, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Reflections on Rainbows, poems, songs and stories by D.K. MacDonald is a glimpse into a world of emotion and beautiful images. Written from the heart and portraying ordinary life experiences from the eye of a poet, this book gives the reader time to pause and ponder their own life. In all that is written, we find common threads through our lives and through the medium of poetry, we feel this connection deeply. Maybe this says it best: I am a beam of light emerging from the forest of travail, entertaining the possibilities the world has to offer to sustain spirit as it grows. I am the Earth and I am the Fire. My feet cool in the soft green grass and my heart warms to the embrace of Human touch. I learn to speak my own language to translate non transmittable images, thoughts and feelings that bounce around deep inside, waiting to emerge. My dream is that the people of the world find expression for their deepest longings and realization of their purest dreams. I simply am.
