The Open-Source Everything Manifesto (Paperback)
By Robert David Steele

North Atlantic Books,U.S., United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. What the world lacks right now--especially the United States, where every form of organization from government to banks to labor unions has betrayed the public trust--is integrity. Also lacking is public intelligence in the sense of decision-support: knowing what one needs to know in order to make honest decisions for the good of all, rather than corrupt decisions for the good of the few. The Open-Source Everything Manifesto is a distillation of author, strategist, analyst, and reformer Robert David Steele life s work: the transition from top-down secret command and control to a world of bottom-up, consensual, collective decision-making as a means to solve the major crises facing our world today. The book is intended to be a catalyst for citizen dialog and deliberation, and for inspiring the continued evolution of a nation in which all citizens realize our shared aspiration of direct democracy--informed participatory democracy. Open-Source Everything is a cultural and philosophical concept that is essential to creating a prosperous world at peace, a world that works for one hundred percent of humanity. The future of intelligence is not secret, not federal, and not...
