Cornerstone, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. `Rats are always bigger than you expect. Falco, ancient Rome s handdog investigator, hates sharing a cell with a rodent - though being bailed by his old mother is almost as embarrassing. His high-born girlfriend can t decide if she wants him, and Titus Caesar s reward for past services is a wet fish. Hoping for a better life, or at least a better apartment, he takes on new clients. On the elegant slopes of the Pincian Hill, three nouveau riche freedmen with two flashy wives are under siege by a clever redhead. Severina Zotica has a foul-mouthed parrot, an odd connection with a snake dancer - and a very suspicious past. As he pursues this flame-haired fortune-hunter, Falco finds himself beset by violent retracketeers, poisoners, and women without consciences who have dangerous designs on him.
