Brand New Book ***** Print on Demand *****.Writers and filmmakers have immortalized the Sicilian crime families concept of power for decades to a world audience intrigued with Italian culture. IMMORTALLY ROMAN takes us inside that fascinating culture and exposes for the first time a different traditional Italian cultural concept of power. Political, military, intelligence, and social concepts of power secretly practiced by Roman Legion Commanders and passed down from father to son thru a Calabrian families tradition of the Black Knight are revealed through the adventures of a handsome young Italian-American Patriot in a time period of monumental international events capable of moving the United States to the heights of world leadership or the depths of self destruction.
