Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. abridged edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. These highly detailed, short, to-the-point, stories are narratives of one couple s actual sex sessions as written by the woman. They re written b the wife for her husband to learn what goes thru her head when they re having sex. The stories area a form of communication between the couple. In honest and painstaking detail, the wife shares her thoughts, actions, comments, conversations, and sexy feelings, before, during, and after their sex sessions. It s Mummy Porn at its sizzling best. The stories are so hot that they can make the reader feel like an animal. They re laugh-out-loud sexy funny - not in a funny joke way, but in a sexy, OMG, I m-too-red-in-the-face, way. This is where the reader finds herself fully immersed in the stories. The stories engulf the reader in such a way that the reader becomes fully heated and aroused.This super-racy book is too hot to read in one sitting. It s a steamy, hot, dirty, naughty bundle of erotic sexcapades of real-life taboo sex sessions between a happily married, adventurous couple who both love pussy and anal sex with each other. That might seem odd in today s society, but these stories are first-hand descriptions of mind-blowing sex at its finest. The sultry thoughts that fill the woman s head during foreplay, sex, orgasm, and post-orgasm are beautifully illustrated in these stories.This is the complete must-read unabridged version. Well, there s no abridged version, everything s in here. The abridged version would be one empty page. You want the full version. Read the book for some great entertainment.
