

Adhesion and Friction: Proceedings of the Third International Workshop on Interface Phenomena, Dalhousie University, Halifax, N.S., Canada, August 23 27, 1988

By -

Springer. Paperback. Condition: New. 129 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. This volume contains the proceedings of the 3rd LASST-ACSIS workshop on Adhesion and Friction held at Dalhousie University, Halifax, Canada, in August 1988. Basic physical and chemical concepts for studying the interfaces between two materials in terms of adhesion, lubrication and friction are discussed. Both experimental and theoretical approaches are represented. Contributions include experimental studies on the structure of polymeric films and friction measurements with an atomic force microscope. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
