Are you tired of being bound to a job that only pays you enough to get by? Or maybe you have thought about investing but assumed that your average wage would never be enough to get you started? If you have answered yes to any of these questions you have come to the right place. Investing is not as complicated as it has been made out to be. As with everything there are rules to the game. If you learn what those rules are and play correctly you will win. This book is going to show you how to play the investment game and win. It is a basic guide so if you are a beginner this is exactly what you need, I have explained all the technical jargon in simple layman s terms so that you have a much clearer understanding of how the world of investment works. The bottom line is that there is enough money in the world for everyone to be a millionaire 20 times over and more and...
