Emma Hutch is a witch who puts her supernatural powers to good use by styling herself as the ultimate matchmaker. Although she can't always promise true love, a ring or even commitment, she can guarantee that all-important first date between one of her clients and the object of his or her affections. The problem is, she spends so much time chasing after other people's love interests, she has no time for her own. Until, that is, she meets Liam Dearborn, Manhattan's most eligible bachelor, who's intent on putting Emma under his own powerful spell.
