Not illustrated. 1905 Excerpt: .after he had placed the cubs in charge of one of the keepers. I suppose that s what makes him such a bad beggar to handle. Give me the jungle-bred lion to train, every time, for after the manhandling and discomfort of his capture and transportation to the coast by the natives, he appreciates the care and humanity of a civilized trainer. These cubs which are raised in captivity are always played with and teased by the employees and visitors, and their first knowledge of their strength comes to them accidentally when they hurt a man without meaning to do it; but they soon learn to connect cause and effect, and then it is time to watch out for em. A jungle-bred lion is pretty much cock o the walk until he is snared or trapped, and in his first experience with men he is vanquished and realizes how useless is his great strength against the nets and ropes which entangle him. The cub born in captivity is familiar with men from the first, and plays with them like a kitten until one day he is out of sorts or is accidentally hurt in a frolic and the swift cut of his razor-like claws makes his playmate or tormentor drop him and leave him in peace. That makes it hard for the trainer when he takes him in hand, for although the cub may be subdued, he remembers that he was once victorious and watches his...
