By Lance T Griffin

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Property Investing - The Property Cycle Boom or Bust in the Property Market. The Real Indicators of Boom or Bust in the Property Market. Every investor in property needs to identify the signs of a coming BUST. This book aims to enlighten those investors so they can prepare in advance for any financial disaster related to a decline in property prices. Be Warned - The Data Contained within this Publication may save your Property Portfolio A property bubble or asset bubble relates to an asset at a price or price range that strongly exceeds the asset s intrinsic value. A potential cause of property bubbles is extravagant pecuniary liquidity in the financial sector, accelerating lax or inappropriate lending standards by banks and other financial institutions, such as low doc or no Doc loans, which makes markets susceptible to volatile asset price inflation. This is stimulated by short-term speculation. As with any type of economic bubble, it is often claimed that a real estate bubble is difficult for many to identify except in hindsight, after the crash. When house prices have been...
