

Crazy Medicine: Now a Short Film Set in Bangkok, Thailand (Paperback)

By Matt Carrell

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Now a short film directed by Richie Moore Twenty-three years old, with a first class honours degree and forty-eight grand in student loans, Emily Davidson s sick and tired of being told she s part of the Snowflake Generation, accused of having unrealistic expectations and an over-inflated sense of their own importance. All Emily wants is a chance and she knows she has to strive to get it. There s no easy route into political journalism - she has to make a splash. Emily sees a world of senseless wars, western democracy in crisis, the re-emergence of the far right. The rich get richer, the poor and vulnerable can go to hell, and drugs are the only escape for millions. Yet the media is full of football, celebrities and fake news. Her generation didn t create this screwed up world - but they re going to inherit it. Armed only with a video camera, Emily sets out to shine a light on the chaos - starting at the bottom of the heap - South-East Asia, where poverty and the drugs trade are...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Great electronic book and useful one. It can be writer in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
