Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Perfection Learning, 2013. Hardback. Condition: New. Language: English . Brand New Book. Humans and androids crowd the raucous streets of New Beijing. A deadly plague ravages the population. From space, a ruthless lunar people watch, waiting to make their move. No one knows that Earth's fate hinges on one girl. . . . Cinder, a gifted mechanic, is a cyborg. She's a second-class citizen with a mysterious past, reviled by her stepmother and blamed for her stepsister's illness. But when her life becomes intertwined with the handsome Prince Kai's, she suddenly finds herself at the center of an intergalactic struggle, and a forbidden attraction. Caught between duty and freedom, loyalty and betrayal, she must uncover secrets about her past in order to protect her world's future. Marissa Meyer on Cinder, writing, and leading men Which of your characters is most like you? I wish I could say that I'm clever and mechanically-minded like Cinder, but no--I can't fix anything. I'm much more like Cress, who makes a brief cameo in Cinder and then takes a more starring role in the third book. She's a romantic and a daydreamer and maybe a little on the naive side--things that could be said about me too--although she does find courage when it's needed most. I think we'd all like to believe we'd have that same inner strength if we ever needed it. Where do you write? I have a home office that I've decorated with vintage fairy tale treasures that I've collected (my favorite is a Cinderella cookie jar from the forties) and NaNoWriMo posters, but sometimes writing there starts to feel too much like work. On those days I'll write in bed or take my laptop out for coffee or...
