Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand New Book *****
Print on Demand *****. It is said that sticks and stones may break my bones but words will never hurt me. In reality this is not true as the Wrecking Crew can tell you. See what happened to them during an EPSI social event. Will these wounds heal or will this be the beginning of the end? Lovingly called book 2.5 in the Call Sign: Wrecking Crew series, this Slice of Life novella presents a snippet of the team s current and past private lives. It was created for those that wanted to know more without slowing down the action. Mature Audience rating suggested due to adult language, sexual situations, and violence.
