Reviews

Absolutely one of the best book I have ever study. It is actually writter in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.

New Directions Publishing Corporation, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Two Crocodiles highlights two literary masters from opposite ends of the world -- Russia's Fyodor Dostoevsky and Uruguay's Felisberto Hernandez. Dostoevsky's crocodile, cruelly displayed in a traveling sideshow, gobbles whole a pretentious high-ranking civil servant. But the functionary survives unscathed and seizes his new unique platform to expound to the fascinated public. Dostoevsky's Crocodile is a matchless, hilarious satire. Hernandez's Crocodile, on the other hand, while also terribly funny, is a heartbreaker. A pianist struggling to make ends meet as a salesman finds success when he begins to weep before clients and audience alike, but then he can't stop the crocodile tears.
