Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE DEBRIS FIELD is a collection of short poems, some of five-lines and some of three lines. The forms are Japanese in origin: the five-liners are called tanka and the three-liners are called haiku. Some of the poems published in this collection have previously appeared in various anthologies and periodicals on both sides of the Atlantic. Anthony Knight is an award-winning poet who lives in Essex with a view across a valley of suburban roofscape to ancient woodland beneath a busy sky of airliners and vapour trails on the Stansted flight-path where clouds and sunsets, stars and moon, ignore the late-comers to the heavens. The author enjoys the juxtaposition of the natural and the man-made with people on the move through both. The subjects of these poems range widely from love to war and all points between. What they share is an ambition to create memorable shortcuts to significant meaning. Concentrated power produced by skilful concision is the unique quality of poetry unshared by other literary forms. However, that is not why the author is a poet. He didn't choose poetry - poetry chose him. The author never thought of expressing his creativity in any other way after his English teacher, Mr Tierney, introduced him to the great works of English verse. In these minimalist forms the author allocates plenty of space in order to allow the work to breathe. The emptiness is for the echoes. Poetry is a cross between Art and Music: it is a sorcery of image and sound. The author hopes the reader will find that bountiful combination in the works here submitted. Collections of poetry by Anthony Knight are published under the following titles: THE THIRTEENTH...
