Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Premium-sized adventure short featuring Conan. While one could say a lot against some of the sexist fantasies in Conan stories, Howard's stories always are crisp and satisfying through their completeness. Don't miss yet another from the master of adventure pulp! Robert Ervin Howard was an American author who wrote pulp fiction in a diverse range of genres. He is well known for his character Conan the Barbarian and is regarded as the father of the sword and sorcery sub-genre. Voracious reading, along with a natural talent for prose writing and the encouragement of teachers, created in Howard an interest in becoming a professional writer. From the age of nine he began writing stories, mostly tales of historical fiction centering on Vikings, Arabs, battles, and bloodshed. One by one he discovered the authors that would influence his later work: Jack London and his stories of reincarnation and past lives, most notably *The Star Rover*; Rudyard Kipling's tales of subcontinent adventure and his chanting, shamanic verse; the classic mythological tales collected by Thomas Bulfinch. Howard was considered by friends to be eidetic, and astounded them with his ability to memorize lengthy reams of poetry with ease after one or two readings.
