Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

LET'S DO MENTAL MATHS FOR AGES 9-10

Paperback. Book Condition: New. Not Signed; Each book in this exciting new series contains more than 800 mental maths questions specially devised to boost children's confidence by providing plenty of practice of all the key aspects of the national curriculum. The structure of each test follows the same pattern but the questions get progressively more difficult as children work their way through the book. Tips provided by 'Digit' the dog and word puzzles in the form of 'Andrew Brodie Brain Booster' boxes provide extra elements to support children's learning and challenge them further. Fun stickers featuring Digit the dog for every page make sure children are rewarded for their efforts!. book.
