## SIMPLE TRUTH (PAPERBACK)

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You are probably wondering, What is this simple truth? There are many simple truths, but the one I will first tell you about is the simple truth Srila Prabhupada talked about the most: The simple truth is that although life is eternal, in this material world we change from one body to another. Foolish people, especially in this age, do not understand this simple truth. We are born into this world and as we grow up we gradually become aware of our families, communities, and nations. We learn how society is organized and we are sent to school so that we can take part in it to the best of our ability. We try to use our talents and intelligence to position ourselves in the best possible way, and sometimes we stop to contemplate our existence. We study the workings of nature, but we cannot understand why we were born as human beings on this earth. This small book will introduce you to the person who informed us of the sublime purpose of human life-His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, the founder-acarya (spiritual master) of the International Society for Krishna Consciousness (ISKCON), also known as the Hare Krishna Movement (Krishna is a Sanskrit name of God).
