FISH, FOG, FROGS AND OTHER STORIES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. Jonathan Goldstein (illustrator). This item is printed on demand. Paperback. 98 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. The big round table in the author's childhood home was the place to eat and talk, the place where her parents engaged in after-dinner chess matches, the place where her father made simple repairs to, e. g. , radios, lamps, etc. But in the author's memory it is, best of all, the place where her father told imaginative and engaging tall tales presented in a style characterized by humorous digressions, a warm confidentiality and a nonsensical logic that dared one not to believe what would seem to be unbelievable. In *Fish, Fog, Frogs (and other stories)* during a visit to her childhood home (and the big round table), the author encourages her father to share his stories with her children (his two grandchildren). With only a little urging, he begins with the tale of his pet (crime-fighting) fish. He feigns a hesitancy to continue but before the family leaves the table, Jennifer and Jonathan have heard six of his most famous tales. Though the reading level is for 4th-6th grades, the stories and setting make this a book for all ages, encouraging families to leave their big flat screen TVs and find their own version of a big round table where they can identify the stars and supporting cast of their own family legends, keeping alive memories of people and experiences that have helped to shape who they are. This item ships from La Vergne, TN. Paperback.
