Space Trip (Hardback)

By Vicki C Hayes

Turtleback Books, 2015. Hardback. Condition: New. Library ed.. Language: English . Brand New Book. Mr. Flinn s best students go to the space museum a few hours away from Tellis, their planet. But Mr. Flinn is fed up with them. They argue. And they don t get along. They certainly aren t setting an example for the best and brightest Tellis has to offer. But on the way home, Mr. Flinn is knocked out when their self-driving space bus is hit by a space rock, which knocks out the engine. The eight sixth graders have to figure out how to work together, especially when they learn something more sinister than a rock disabled their bus. Hi-Lo Chapter Books for Children. This series of short novels was designed to engage a broad spectrum of struggling readers. No longer will upper-elementary students have to read material junior to their maturity and interests. Characters are age appropriate and come from diverse cultures and backgrounds. Science fiction, sports, paranormal, realistic life, historical fiction, and fantasy are just a few of the many genres. Books are no higher than a 1.5 reading level, with illustrations on every spread that support visual literacy and draw kids...

Reviews

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.

-- **Gillian Wisoky**

These sorts of book is the greatest book offered. This can be for all those who statte that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.
