## EXODUS 2012: A MISSION TO SAVE THE EARTH (PAPERBACK)

Babienge Productions, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In Exodus 2012: A Mission to Save the Earth, Jesus Christ returns, not on the clouds, but reincarnated as a Chinese Tai Chi master named Hu Jing Sheng, who brings a message designed to save the earth. Jing Sheng s message is based on both the Mayan prophecy about the year 2012 as well as the scripture verse Exodus 20:12. A global mission unfolds, with children as its centerpiece for saving life on earth. Following the story line of Moses in the book of Exodus, Jing Sheng gathers a new generation of disciples just as Christ did long ago, then leads an exodus from old, dysfunctional human patterns of belief, thought, and behavior. In the process, Jing Sheng creates a global mission of eco-communes and international travel, during which he re-presents the ten commandments, newly re-envisioned as guidelines for life. Jing Sheng confronts the Pharaohs of today, while preaching, teaching, and healing with Christ-like authority. Exodus 2012 offers a powerful, yet controversial interfaith vision for healing the earth and saving her people, while also achieving global peace and harmony.
