Strawberries Growing: (FREE Bonus Included) 20 Proven Tips How To Grow Strawberries And Crop First Harvest This Year Say the word strawberries and you will probably think of Wimbledon, or maybe a bowl of strawberries and a nice champagne. Strawberries have been present at Wimbledon for many years and they have always been associated with champagne as they help to bring the flavor out. You would, therefore, be forgiven for thinking that the strawberry is a fruit for the upper classes and social elite. Fortunately this is not the case! Strawberries are actually one of the most commonly grown fruits at home. This might be due to the fact they are relatively easy to grow, although it could also be because they need very little space. Whatever your reason for growing and whether you have grown them before or not, you will be delighted to find out that you can actually force them to grow early. Instead of waiting for them to be ready to harvest in June, July or August, you can encourage them to be ready in April; and still taste just as good! Whether you are an inexperienced gardener or not, this book can show you how to: Understand what forcing is and why it is relevant to strawberries Discover five tips to ensure you prepare the soil properly for your strawberries and planting them to gain an early harvest. Five tips on how to force your strawberry plants and access your harvest much earlier in the year. Another five tips; explaining the best...
